

2021-2022 Grades 10-12 Course Offerings Sheet

This sheet is for your information only. You will register on a paper registration card and have your current teachers sign off on your requests. **Please check the GBHS website for more information.**

**As registration begins and courses begin to reach capacity, students may not be able to register for their first-choice course. However, they may elect to take those courses online through a virtual provider like SRVS or FLVS as an alternative. Students are encouraged to register early to ensure that they are able to select all of the courses that they qualify for and are interested in taking next year. (1) You must register for SIX classes. (2) You will also choose 2 alternate classes in the event you are not placed in your first-choice electives. You will NOT turn in this sheet. Summer assignments will be available on the GBHS website.
