

To: Gulf Breeze High School Students

For the last five years the Gulf Breeze Community has hosted Night to Shine. It is an unforgettable prom night experience for people with special needs ages 14 and older, sponsored by the Tim Tebow Foundation.

We are in the planning process for Night to Shine 2021 at Community Life Church. Due to Covid-19, it will look quite different this year. But we are still planning a fun event! Since we cannot hold the usual NTS prom in the building, we are planning a "Shine-Thru", which will be a reverse parade, on Feb. 12 at 5:30 pm.

The guests will remain in their cars and drive along the parade route around the church, enjoying a variety of entertainment. The paparazzi will cheer as each guest's name is announced at the "red carpet". There will be music, special guests and groups to entertain them as they drive along.

Many of the activities in which our guests might usually participate, have been cancelled over the last several months. This is an opportunity to give them something to look forward to and to celebrate them.

We are inviting cheerleaders, dance team, band members etc from your school to perform at our event. **We realize it will not be affiliated with the school.** We will sign off on volunteer hours for your students if they attend this event.

We expect the event to last approximately 2 hours. Everyone will be standing outside, so dress accordingly for the weather. Masks will be required, and attendees will be spaced.

Please have the students call or email me if they can attend.

Respectfully,

Carol Joyner
